SIMMONS

A high-angle, warm-toned photograph of a group of people in a meeting. They are gathered around a light-colored wooden table. On the table are several items: two laptops, a tablet, a smartphone, a calculator, a notebook with sketches, and several cups of coffee. In the foreground, there are large architectural plans with a legend and a floor plan. The legend includes categories like 'NOVATO CHALK', 'RECEIVING', 'RECEPTION', 'LIBRARY', and 'LOBBY'. The floor plan shows a building layout with dimensions like 1.00, 3.00, and 2.00. The people are engaged in conversation, with one man pointing at a laptop screen and a woman smiling. The overall atmosphere is professional and collaborative.
